a. COVID-19 precautions/protocol: James Marcellus updated the board that the library is closed for a period of about 3 weeks with the Library employees sent home until further notice and will receive full pay and benefits. Employees would return a few days prior to reopen date to do a thorough cleaning of the Library. No one is allowed in the Library except the Library Director. The following statement was made to be included in the minutes:

The Rolla Public Library will be closed from 19 March 2020 to 5 April 2020 reopening on 6 April 2020 due to the public health crisis, however reopening is subject to review by the Board of Trustees and may be extended indefinitely subject to a review of the status of the public health crisis in Phelps County and the State of Missouri.

Rebecca recommended that the staff go home and stay home with no work at home or coming into the Library to work while closed. Steffanie Rogers discussed it is hard to track and prove when someone is working from home and also stressed that if you are closing a facility that very, very few people come into that facility-staff, board members, maintenance workers, etc. Steffanie reported that a project was setup to track the COVID-19 expense to be in place in the event that a state or federal disaster is declared and there is reimbursements provided. Steffanie recommended that Rebecca be the person of contact for any press releases, Facebook postings, communication between all the board members, etc. Steffanie recommended that Rebecca not send one communication to say, Jim or herself (Steffanie) but includes the entire board on the communications.

Book return would not be allowed at this time.
