They have so many books due to COVID-19 and unable to have the book sales that they had to get another storage unit and rely on other to store boxes of books that they couldn’t fit in the basement during the sale. The Halloween Storywalk event over the course of a week had approximately 200 attendees and has over 1,000 people had the Boo-Palooza event. It was so well attended that all of the bags of candy were handed out and ended up having to go get more bookmarks and small prizes from past years events to distribute. With the approaching holidays, the Library is swamped with outreach requests that staff is arranging visits for. Our weekly virtual and in-person story time and Saturday Book Club is still well attended. This will allow the Library another year of service for the 20 hotspots and 20 tablets. The Library also received the grant for the Director’s attendance to the Missouri Public Library Director Conference in Columbia, Missouri. The Library’s portion to pay will be 10% or $32. The final Summer Reading Program grant paperwork is being put together and be sent out shortly. The Library will begin doing holiday decorating.
