If awarded, then the Library will probably short-term (two week checkout) 100 hotspots and 20 tablets and long-term (one year checkout) to 420 applicants. Integrity did a walk through of the buildings, both internally and externally. The Children’s Wing is in excellent condition whereas the other building (including PC Tech and the Chinese Mission) is in very bad shape. It will be 2-3 months before designs are completed.
